Sizing a ring as a surprise

- [ ] Borrow a ring worn on the same finger and match it on the circles page
- [ ] Or trace the inside of the ring on paper and measure the diameter
- [ ] Ask a close friend or relative who may know
- [ ] If unsure, choose slightly larger — easier to size down
- [ ] Check the resizing and exchange policy before buying

Person _____ **Hand / finger** _____

Method _____ **US size** _____
